Secondary school education | hosur, Tamil Nadu | June 2019

- percentage : 85%
- **Volunteered And Participated** in various sports at zonal level

Relevant Experience

Mobile App Redesign | NEXT LEVEL| Sep 2024 - Dec 2024

- In applying user-centered design principles to redesign a mobile app interface.
- Conducted usability testing and incorporated feedback to enhance the overall user experience.
- Utilised Figma to create interactive prototypes, showcasing the redesigned app's functionality.
- Demonstrated proficiency in rapid prototyping and iteration.

Website design | HOODIFY| Oct 2024 - Dec 2024

- In applying user-centered design principles to redesign a mobile app interface.
- Conducted usability testing and incorporated feedback to enhance the overall user experience.
- Utilised Figma to create interactive prototypes, showcasing the redesigned app's functionality.
- Demonstrated proficiency in rapid prototyping and iteration.

SKILLS

Responsive Design Project:

- Contributed to the redesign of a app, ensuring a seamless user experience

User Research and Testing:

- researched user interviews which are available on internet and preferences for the website redesign.

Collaboration and Communication:

- Worked closely with seniors to implement design changes and improvements. Effectively communicated design decisions

Project Contribution:

- Played a key role in the redesigning of website, receiving positive feedback seniors. Gained hands-on experience in project.

Design tools:

- Adobe XD, Figma, Sketch , canva ,framer, draw.io,

Coding language:

- HTML, JavaScript, Css

Research methods:

- User Interviews, Contextual Inquiry & surveys and Questionnaires From quora.

Soft Skills:

- Adaptability, Attention to Detail, Time Management, Open to Feedback
